ANDREW LE HEGARAT TO CONTEST BOUGHTON MONCHELSEA AND CHART SUTTON WARD AT LOCAL ELECTION

Local Conservatives have selected Andrew Le Hegarat as their candidate to represent Boughton Monchelsea and Chart Sutton Ward at the next election in May. Andrew is a committed campaigner for services in the local community and the wider area.

Andrew says "I actively campaign for local services and will continue to do so because they are essential to the communities they serve and should be maintained for those who rely on them.

Having lived on the Heath Road in Boughton Monchelsea for the past 4 years, I can proudly say that Boughton Monchelsea and Chart Sutton Ward is one of the nicest parts in Maidstone to live and work and should be kept as such to be enjoyed by all.

Both Boughton Monchelsea and Chart Sutton Parish Councils do an amazing job of representing their parishes and are very successful in providing what they can to the communities that they serve. What they need is a strong link to the Borough Council to provide extra support and resources when needed.

If elected, it would be an honour and privilege to represent such community orientated places such as Boughton Monchelsea and Chart Sutton, and give it the representation that it desperately needs.

Hugh Robertson, Faversham and Mid Kent MP says;

"I believe Andrew can provide a much needed boost of energy and commitment in representing and campaigning for everyone living and working in Boughton Monchelsea and Chart Sutton."

Caring and campaigning for our community

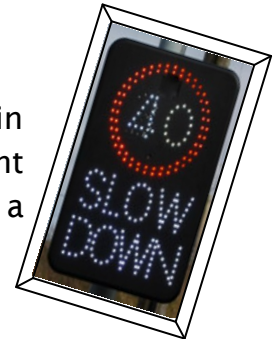

Conservatives

Unnecessary lorry traffic is a major problem in our area and I will actively campaign for tougher restrictions and consequences on HGV drivers with co-operation from the Parish Councils, Neighbourhood Watch, Local Businesses and the Borough Council to put a stop to this menace and danger in our villages and throughout the whole borough.

I will also campaign for greater action on speeders that use our main roads with little or no consideration. I will work with KCC, Kent Police, the local communities and local organisations to provide a solution that accepted by everyone.

The 59 Bus service is a vital link for our villages to connect with Maidstone. Without it many will lose access to vital services in the town centre. I will do everything in my capacity to make sure that this important service continues to run in our villages.
