CONSERVATIVE CANDIDATE, ANDREW LE HEGARAT STEPS UP CAMPAIGN FOR BOUGHTON MONCHELSEA AND CHART SUTTON

Following the great news of Maidstone in the Halifax Quality of Life Survey, Boughton Monchelsea and Chart Sutton has been noted as one of the contributors as to why Conservative led Maidstone Borough Council is ranked as one of the best places to live in the UK. Maidstone Borough Council candidate, Andrew Le Hegarat says:

‘It is great for Boughton Monchelsea and Chart Sutton that it is contributing in a hugely positive way to the increasing prestige of Conservative led Maidstone Borough and that it is being recognised as one of Maidstone’s beautiful rural areas.

If elected, I will work with the Council and the community to invite investment and other services that will improve the quality of life further while continuing to provide the high level of services that are enjoyed by the community, and provide Boughton Monchelsea and Chart Sutton with the Borough Council representative that it deserves.’

At present, Planning regulations in Maidstone are confusing and ambiguous, and this has had an impact on Boughton Monchelsea and Chart Sutton, as well as other villages especially out into the countryside surrounding Maidstone. If elected, I aim to work with the Council to make Planning regulations clearer, more accessible, and I will support any application that has a positive impact on our community.

**Cllr Chris Garland, Leader of
Maidstone Borough Council
says:**

**Andrew is already a committed
member of his community in
Boughton Monchelsea and Chart
Sutton, and will be an
invaluable asset to the people
he represents and to Maidstone
as a whole.**

To celebrate the Queen's Diamond Jubilee Boughton Monchelsea will be holding it's own celebrations over the June Bank Holiday Weekend. Andrew is the chairman of the organising committee and would be grateful for suggestions and volunteers to help with the planning and organisation of what promises to be an unforgettable event for the whole community. Please contact Andrew directly via e-mail or phone for further details.

Working directly with the public; and in a number of different capacities, Andrew has a proven track record of working with those who he represents. 'Having worked in pubs, bars and restaurants since the start of my working life, and playing an active role in various voluntary and community groups has enabled me to connect with all walks of life, and to act on, and pass on comments to improve and better everyone's experiences.

Having worked with Maidstone Borough and Kent County councillors, along with Members of Parliament, Andrew has built strong links on which any of the people that he represents can depend upon so that issues and comments can be discussed with the relevant groups and aim to get a concise answer with appropriate action.

I express my gratitude to Cllr Mike FitzGerald for all of the work that he has done for our community over his time in Maidstone Borough Council, I will strive to fulfil his call for 'younger blood and new faces'. Following in the footsteps of such a prominent figure will only be possible with the support of our community of Boughton Monchelsea and Chart Sutton.
